

Business Development Manager

An exciting opportunity to join a growing B2B organisation in York, UK

Eurofins York (formerly York EMC Services), a subsidiary company of the Eurofins Group, is a leading international provider of regulatory compliance services and products to the manufacturing and electronics industry, particularly in the fields of EMC, Radio, Electrical Safety, EMF and RF.

Due to business expansion we are recruiting a Business Development Manager to take responsibility for delivering new business and achieving departmental plans. The post involves responsibility for developing customer relations and leading on Global Market Access services.

Candidates need to be educated to degree level, preferably within an engineering or scientific discipline and have at least 2 years' experience in a similar role with a proven track record of success in a B2B environment.

The successful candidate will need to be highly proactive and have excellent organisation and time management skills.

Where professional qualifications have not already been gained, the candidate will need to show a willingness to work towards Chartered status and progress in the Institute of Leadership & Management scheme.

In return, the post attracts:

Competitive salary

Contributory DC pension

Company car

An impressive array of employee benefits

Chartered recognition opportunities

Pleasant working locations

For an informal talk about the post please call 0330 430 3456.

Applications in strict confidence, with covering letter and enclosing a current CV (quoting reference EY/BDM01), by e-mail to jobsyork@eurofins.com. No agencies.
